SMOOTH AND REFINED

UPGRADE YOUR DECK WITH CULPEPER PLUS

Culpeper Plus deck boards are run through a state-of-the-art moulder to add a 1/4" radius edge on all four corners of the board for a smoother underfoot feel. At the same time, the moulder sands the surface of the board to an extra smooth finish for an enhanced level of refinement and comfort.

EXTRA SMOOTH SURFACE

1/4" RADIUS EDGE
