

SYLVANIX ELITE COLLECTION™ COMPOSITE DECKING

COMPOSITE DECKING

SUPERIOR FROM EVERY ANGLE

Durability meets versatility and the appearance and feel of real hardwood timber with Sylvania Elite Collection composite decking. Deep embossed wood graining and an offering of rich tones, the Elite Collection imparts instant warmth and high-end character. Four-sided board encapsulation provides 360° protection and board reversibility for an equally authentic appearance when viewed from below.

FEATURES AND BENEFITS

- 360° encapsulation for superior weather resistance
- Scratch and insect resistant
- No painting, sanding, or staining
- No splinters, cracks, or warping
- Lasting fade-protection
- Grooved edges for concealed fastening
- Dual-sided with two tones for reversibility
- Available in 8 tones across 4 boards
- 90% recycled content, environmentally sustainable
- Brushed finish for reduced sheen and enhanced traction
- Also available in one-tone square-edged boards, riser, and fascia

Elite Collection in
Chocolate / Mesa Brown

EIGHT COLORS IN FOUR COMBINATIONS
